## Suspended Bondage Table

(model BT-100)

Foam padded imitation leather bondage table can be suspended from the ceiling for a floating sensation- but also includes fold-down legs. Multiple eyelets are provided on all sides for bondage play. Leather wrist and ankle restraints are included. Chain and rope are extra.

Approximate size: 30" x 78" x 6".

## Santini Rack Table

(model BT-2000)

We named this incredible piece after the client who inspired its creation: Santini, the Dark Master of Escape.

This 10-foot long medieval rack features rope drums at both ends. Gears on each drum control the incremental adjustments in tension which is quickly released with brake handle. Drums operate by inserting a metal spike - a dramatic and authentic medieval touch. Faux-finish lends an ancient, weathred look. Dismantles in minutes for easy storage or transport.
